

# 22nd Annual Monumental Bug Bash

I hear the 22nd Annual Monumental Bug Bash is around the corner. Any more details to this show?

**All makes and models of Volkswagens are welcome, air and water-cooled.**

Yeah, its on May 20, 2012 at San Jacinto State Park, North on Independence Pkwy, off SH 225. Registration starts at 9am and costs \$10, same for vendors. I do believe food and drink will be available on site. Karman, anything else folks need to know?

Trophies will be selected for the top 25 along with "Best of's". There will be kids activities, a Twinkie eating contest along with the raffle prizes that go with the show. Hey hot rod, you got anything?

This is what I got. If there are any questions for the show or cruise, contact the Prez (Dave) at 832-205-2300 or email - [veedubcrazy@juno.com](mailto:veedubcrazy@juno.com). He can answer all the questions you may have. See ya'll there at the show.

The 22nd Annual Monumental Bug Bash is sponsored by the Bay Area VW Club. The Saturday Pre-show cruise will be May 19th with the map on reverse side of this flyer.
